

## VMC/IMC-WPA Paine Field Monthly Safety Forum

Current topics and scenarios related to safety of flights in VMC and IMC conditions are presented for discussion and education in a forum setting by experienced CFI's and pilots. Active audience participation is encouraged.

This month's topics are:

Who Needs an Autopilot - is it a helper or an increased workload?

Maneuvering in close quarters at non-standard altitudes and airspeeds.

**Directions:** Simulation Flight is in office park across the street from Boeing's Future of Flight at KPAE.

### A message from the National FAASTeam Manager
